AirTrim EZ Rent to Own Trim Extractors

What is the best option to evaluate investment pay back? You've run the projected numbers, read the literature, visited a trade show. But what is the fastest, simplest, and best way to confirm ROI/Payback before placing an order?

To help make the best decision, AirTrim has developed an easier, lower risk, affordable solution to confirm ROI/ Payback of your pneumatic trim extractor-the **AirTrim E-Z Rental Plan**.

AirTrim offers an AirTrim E-Z rental to:

- (a). Confirm the value of installing an AirFlex trim extractor on your machine.
- (b). Allow you to gain valuable employee input.

Rent it for a minimum of (3) months. After (3) months rental, decide to purchase it or continue with the rental agreement.

The AirTrim E-Z Rental Plan is the best way to confirm payback on your pneumatic trim extractor. Due to increasing interest in this program, rental unit availability varies.
