Introducing The AirTrim® AirFlex® Family For Batch and Continuous Production

AirFlex® Mini

AirFlex® Standard

AirFlex® XL

The AirTrim AirFlex Family Benefits Include:

Boost your waste removal efficiency by choosing the AirFlex Family, a versatile design suitable for any company size, production capacity, and budget. Tackle today's challenges with a reliable system accommodating various materials (paper, plastic, film, foil) and machine speeds. Enjoy long-term flexibility with the AirFlex Family, offering:

1. Continuous production capacity with dual discharge, avoiding forced stoppages.
2. Easy modification for intake and discharge, ensuring flexibility for future growth.
3. Compact design fitting most confined floor spaces
4. potential to remove trim for two machines per AirFlex unit.
5. Portability for optimal positioning.
